April 2015 - new CEO appointed.
Minor organisational structural changes throughout FY16.

Gender equality indicator 2: Gender composition of governing bodies

2   Your organisation, or organisations you are reporting on, will have a governing body/board as defined in the Workplace Gender Equality Act 2012 (Act). (In the Act, a governing body is defined as "the board of directors, trustees, committee of management, council or other governing authority of the employer".) For the purposes of reporting under the Act, this question relates to the ultimate or 'highest' governing body for your organisation. NB: if your governing body/board is located overseas, it still needs to be included.

o For private or publicly listed companies, you will have one or more directors or a board of directors.

o For trusts, the trustee is the governing body/board.

o For partnerships, the governing body/board is likely to comprise all or some (if elected) partners.

o For organisations whose governing body/board is the same as their parent entity's governing body/board, it is still deemed to have a governing body/board.

o For religious structures, you may have a canonical advisor, bishop or archbishop.

o For other structures that do not fall into any of the above categories, your committee of management would be considered your governing body/board.

2.1   Please complete the table below, ensuring data entered is based on the instructions in each column header. For each organisation, enter the number of women and men on that governing body/board (not percentage). If a target has been set to increase the representation of women on any of the governing bodies listed, please indicate the % target and the year it is to be reached.

If your organisation's governing body/board is the same as your parent entity's governing body/board, you will need to enter your organisation's name but the details of your parent entity's governing body/board in the table below.
Organisation name	Gender and NUMBER of chairperson/s (NOT percentage)	Gender and NUMBER of other governing body/board members (NOT percentage)	% target for representation of women on each governing body/board	Year to be reached
