## Glossary of terms

<b>Aggregator</b>	The group that holds the direct agreement with a lender i.e. not sub-aggregator. ASIC also further defines an aggregator as: “A business which provides aggregation services to a broker business or broker and with which a lender a direct contractual relationship. It does not include a broker business or broker which does not provide aggregation services, even if there is a direct contractual relationship with the lender. If a lender has a contractual arrangement with an entity for aggregation services and a related party of that entity provides the aggregation services to a broker business or broker, then the two entities are treated as one aggregator”
<b>Broker</b>	A registered individual Credit Representative that is active as at 30 June for the completed reporting period and has been operating as a broker for the 12-month reporting period
<b>Lender</b>	Includes a person who has a servicing agreement with a special purpose funding entity (ASIC definition)
<b>Lenders Available</b>	All lenders whom the aggregator has an active agreement in place with at time of publication
<b>Lenders Used</b>	Based on paid settlements to the broker during the reporting period
<b>Paid Settlements for Aggregator Reporting</b>	\$ value of residential mortgage settlements disbursed by the Lender in relation to business introduced by brokers aligned to the aggregator in the reporting period
<b>Reporting Period</b>	1 July to 30 June of the financial year; data is taken once per annum, not on a rolling annual basis.
